# WHY RICH KING REAL ESTATE IS THE BEST CHOICE TO HANDLE YOUR REAL ESTATE TRANSACTION

**You need an exceptional, experienced, high producing professional.**

There are over 2,500 licensed real estate agents in the greater Spokane region and 83% of them sell 5 or less homes per year. How much confidence can you have in someone who only closes a transaction once every 2.4 months? Mastery requires repetition.

Rich King Real Estate is the top individual producing agent at the largest real estate brokerage in the region, Keller Williams, closing between 50-60 transactions per year. That's 4-5 transactions per *month*. That also ranks us among the top 30 producing agents in the area and among the top 1,000 in the U.S.

Because of our extensive experience, we have the insights and abilities to effectively manage every twist and turn in a transaction and to defend and protect your best interests.
