<sup>\*</sup> DOM = Days On the Market before selling

The last three months of 2022 have been quite different than this same time last year when we were just approaching the beginnings of the most rabid and crazy market ever.

Millwood sold 43 homes last year between Sep-Nov and prices were 18.9% higher than in 2020. But over these past 3 months, Millwood has only sold 16 homes, but at a surprising 10.7% price increase over last year.

Pasadena Park was all but absent in sales last year at this time, for some reason I can't come up with. But those 7 that sold realized a whopping 36% price increase over 2020. And now that the volume has picked back up, prices have dropped by 7.4%

Northwood also saw amazing price increases last year at this time (up 27.8%), but volume has slowed, Days on Market are way up, and prices have dropped by 7.0%.

### **40 Years Blessed**

In July 1976 when the King Family of 8 arrived in Pasco, WA after having lived in the Midwest, I was introduced, at 15 years old, to the most beautiful, intelligent, and friendly girl I had ever met. Her name was Mary-Pat Welsh—a cheerleader, musical, athletic, and valedictorian. After 6 years of dating through college and even extended times apart from world travel, we had a Christmas wedding on December 27, 1982. Two days after this coming Christmas we'll celebrate our 40th Wedding Anniversary. We've been through so much together. Raising two amazing sons, Richard IV and Corey, has been perhaps our greatest accomplishment and joy. We've lived abroad, served in the military, and have made Spokane—West Valley—our home for the last 28 years. But I'm really the lucky and blessed one. I married up, the love of my life.

## "Thirsty Christmas Thursday", December 22nd, 4-6 PM

SAVE THE DATE and join us at Bottles in Millwood for Thirsty Christmas Thursday, a Happy Hour hosted by Rich King Real Estate. If you like craft beers, choose from a dozen different cold ones on tap, or from the massive selection in the many coolers. And if you're a wine drinker, savor the flavors and aroma from an equally extensive selection of red and white wines. But perhaps the best part of the Bottles experience is community. In addition to the many Millwoodians who frequent the tap house, people come from across the county to enjoy the atmosphere that invites us to eat, drink, and be merry. And by the way, as the Happy Hour host, I'm paying 50% of all drinks consumed between 4:00-6:00 PM! So, come and join us for this pre-Christmas celebration!

## When You Need a Reliable Vendor/Contractor

Almost 6 years ago a young man—a new mortgage loan officer—called me and asked to meet with me at the Rocket Bakery for coffee and conversation. That meeting with Matt Penny from Guardian Mortgage has since led to a wonderful business association and friendship. Together we have closely collaborated to help over 50 people buy and/or re-finance real estate both here in the Spokane area as well as across the country. Matt and his team at Guardian Mortgage provide first-rate service and their rates are extremely competitive. Scan the QR code here and visit my Preferred Vendor web page with a list of the best service providers in our area.
